Do you wake feeling tired and irritable?

Do you have trouble staying awake during the day?

Do you have trouble staying awake whilst working or driving?

If so, we can help!

THE SLEEP
DIAGNOSTICS
GROUP

Dr Kevin Chan is a Respiratory and Sleep Medicine Physician. He has a keen interest in obstructive sleep apnoea and a strong research interest in its interactions with chronic cough. Dr Chan has practices located in St Leonards, Five Dock and Campbelltown and can speak Cantonese and Mandarin as well as English.

With the recognition of the importance of good sleep quality and with growing community awareness of the high prevalence of obstructive sleep apnoea in Australia, Holroyd Private Hospital along with Dr Kevin Chan are pleased to offer a modern sleep investigation unit with facilities and staff to help diagnose and oversee the treatment of common and rare sleep disorders.
